About Our Association

Our Purpose

"Never regard your study as a duty, but as the enviable opportunity to learn to know the liberating influence of beauty in the realm of the spirit for your own personal joy and to the profit of the community to which your later work belongs." –Albert Einstein

St Michael's Alumni Association has always been a source of support and inspiration for the school alumni, students and staff. A long list of famous personalities in the field of innovation, research, business excellence, films, literature, music, journalism, sports and even entrepreneurship who have become alumni of this school have made the institution proud for years.

The alumni always come back to the institution to contribute in various ways. They often guide current students and share their academic experiences, conduct health camps to ensure their well-being, or even make them aware of their career options in their fields.

The association always looks for ways to promote fellowship among alumni, exchange ideas, spread knowledge, stimulate thinking and help the school to provide excellence in education.
