Dt- **09 Jan 2024**

The SMAA is growing everyday with the addition of new members in each registration window. The Bye laws have not been amended since inception and it has been proposed to incorporate amendments for better clarification and smooth functioning.

The Central Executive Committee has decided to propose the amendments in Bye-Laws to be ratified by members.

**SGM** will be held from **11 am on Sunday, February 11, 2024 at St Michael's High School Campus** for all the registered members. The proposed amendment in Bye-Laws has been sent to all the registered members on their Email id and is also available on the school website Kindly make it convenient to attend this meeting and go through the proposed amendments.

Best Wishes.
